**Customer Centric
Approach**

Our Mission

Our mission is to ensure that our professional services, delivered to our valued clients, are of the highest quality and standard. All our courses are outcomes-based and are continuously upgraded to ensure that the maximum amount of knowledge and skills is transferred to the learner.

Our Vision

Our vision is to be the leading provider recognised in the workplace for our value-added inputs, training, and consulting services, with the evidence of our work reflected in increased productivity, improved profitability, and a safer working environment.

Our Goals

Moderation Policy

- It is the moderation policy of TVL Training to ensure that moderations are conducted in a planned and structured manner.

Documentation Moderation

- Learner documentation will be moderated.
- Learner moderation will be conducted upon request from the client.

Assessment Policy

TVL Training will ensure that all assessments conducted on learners will:

- Be voluntary and conducted when learners are ready.
- Be fair and free from discrimination.
- Be without barriers (where possible).
- Comply with the principles of assessment.

Both formative and summative assessment types will be used. Assessments will be conducted using correct methods and instruments and will produce the correct type of evidence.

All processes will be legally compliant.
